STANDARD CLAUSES FOR TIOGA COUNTY
CONTRACTS

The parties to the attached contract, license, lease, amendment, renewal or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the County of Tioga ("the County"), whether a contractor, vendor, licensor, licensee, lessor, lessee or any other party):

1. RELATIONSHIP OF PARTIES. Contractor shall have the status of an independent contractor, and in accordance with such status, agrees that it will conduct itself in a manner consistent with such status, and that it will neither hold itself out as, nor claim that any of its officers or employees are officers or employees of the County by reason of this Agreement. Contractor further agrees that it will not make against the County any claim, demand or application to or for any right or privilege applicable to an officer or employee of the County, including but not limited to workers' compensation coverage, unemployment insurance benefits, social security coverage or retirement membership or credit.

2. EXECUTORY CLAUSE. (A) **All Contracts.** In accordance with § 362 of the County Law, the County shall have no liability under this contract to Contractor or to anyone else beyond funds appropriated and available for this contract. (B) **Certain Installment Purchase Contracts.** Further, in the case of an installment purchase contract, pursuant to General Municipal Law § 109-b, any such installment purchase contract is not a general obligation of the County. Neither the full faith and credit nor the taxing power of the County of Tioga are pledged to the payment of any amount due or to become due under such installment purchase contract. It is understood that neither this contract nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make monies available for the purpose of the contract. Further, no liability on account thereof shall be incurred by the state of New York municipal bond bank agency beyond the amount of such monies. It is understood that neither this contract nor any representation by any employee or officer of such agency creates any legal or moral obligation to appropriate or make state monies available for the purpose of the contract.

3. EXTENSIONS, RENEWALS, MODIFICATIONS. Extensions or renewals to the Agreement or any modification including new products, terms, or price changes to the Agreement shall be submitted by the Contractor to the County for approval by the County Legislature of the County in order to be effective. No provision of a contract which states that the term of the contract shall be deemed renewed for a specified

additional period shall be effective against the County, absent a subsequent resolution of the County legislature, specifically authorizing such renewal.

4. NON-ASSIGNMENT CLAUSE. In accordance with § 109 of the General Municipal Law, this contract may not be assigned by Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the County's previous written consent, and attempts to do so without such consent are null and void.

5. INSURANCE AND INDEMNIFICATION, HOLD HARMLESS. (A) **Insurance.** (i) (a) Contractor covenants and agrees to maintain in full force and effect during the term of this Agreement, and any subsequent term, comprehensive insurance in form, term and content satisfactory to the annexed standards of the County, which are incorporated herein (*Appendix B: General Contract and Insurance Specifications*) and, to prove as evidence of such compliance, insurance certificate(s) which shall be annexed to and made part of this Agreement and shall name the County of Tioga Attention: Law Department, as Additional Insured and certificate holder (not simply "certificate holder") (except Worker's Compensation/Disability Benefits) in connection with the work being performed. (b) Said certificate(s) shall be annexed hereto prior to or at the time of execution of this Agreement by the County. (c) Contractor acknowledges that failure to obtain or maintain such insurance on behalf of the County constitutes a material breach of contract and subjects it to liability for damages, indemnification and all other legal remedies available to the municipality. The County shall, if it deems it necessary, have the right to ask for additional certification at different points throughout the life of the contract.

(B) **Indemnification, Hold Harmless.** Notwithstanding the limits of any policy of insurance provided or maintained by Contractor, Contractor shall defend, indemnify and hold harmless the County of Tioga and its officers, employees and agents from all claims, actions, suits, liabilities, damages, awards, costs and expenses (including, without limitation, attorneys' fees) of every nature and description arising out of or related to the services provided by Contractor under

this Agreement and arising out of or caused by any act, omission, breach or negligence of Contractor or its officers, employees, volunteers, or agents. Contractor's duties and obligations pursuant to this paragraph shall survive the termination or expiration of this Agreement.

6. WORKERS' COMPENSATION BENEFITS. This contract shall be void and of no force and effect unless Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law (WCL). Contractor understands and agrees that pursuant to WCL § 57 (workers' compensation requirements), Contractor must provide one of the following forms to the government entity issuing the permit or entering into a contract: (A) Form CE-200, Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage; (B) Form C-105.2, Certificate of Workers' Compensation Insurance; or (C) Form SI-12, Certificate of Workers' Compensation Self-Insurance, or GSI-105.2, Certificate of Participation in Worker's Compensation Group Self-Insurance. Pursuant to WCL § 220(8) (disability benefits requirements), Contractor must provide one of the following forms to the entity issuing the permit or entering into a contract: (A) CE-200, Certificate of Attestation of Exemption from NYS Workers' Compensation and/or Disability Benefits Coverage (see above); (B) DB-120.1, Certificate of Disability Benefits Insurance; or (C) DB-155, Certificate of Disability Benefits Self-Insurance. (In the case of NYS Agencies acceptable proof consists of a letter from the NYS Department of Civil Service indicating the applicant is a New York State government agency covered for workers' compensation). Contractor acknowledges and agrees that, pursuant to the New York State Workers' Compensation Board, ACORD forms are not acceptable proof of such coverage.

7. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Art. 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Contractor is subject to fines of \$50.00 per person per day for any violation of § 220-e or § 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation. It is the sole responsibility of Contractor to determine if Contractor is subject to this contract provision and to ensure compliance with same.

8. WAGE AND HOURS PROVISIONS FOR CERTAIN CONTRACTS. If this is a public work contract covered by Art. 8 of the Labor Law or a building service contract covered by Art. 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Art. 8 of the Labor Law, Contractor understands and agrees that the filing of payrolls in a manner consistent with Subd. 3-a of § 220 of the Labor Law shall be a condition precedent to payment by the County of any State approved sums due and owing for work done upon the project. It is the sole responsibility of Contractor to determine if Contractor is subject to this contract provision and to ensure compliance with same.

9. SET-OFF RIGHTS. The County shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the County's option to withhold for the purposes of set-off any moneys due to Contractor under this contract up to any amounts due and owing to the County with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the County for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The County shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the County agency, its representatives, or the County Treasurer.

10. RECORDS. Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The County Legislature, County Treasurer and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The County shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under § 87 of the Public Officers Law (the "Statute") provided that: (i) Contractor shall timely inform an appropriate County official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable.
